

Dayananda Sagar College of Engineering

(An autonomous institution, affiliated to VTU, Belagavi, Karnataka)

Approved and Certified by AICTE & UGC and ISO 9001:2015 Accredited by NAAC with 'A' Grade
Shavige Malleshwara Hills, Kumaraswamy Layout, Bengaluru – 560 111

Department of Civil Engineering

2nd International Conference on

Innovations in Sustainable and Digital Construction Practices (ISDCP) 2026 (Hybrid)

5th & 6th February, 2026

Call for Papers

Department of Civil Engineering

isdcp2026@dayanandasagar.edu

PARTNERS

CHIEF PATRONS

Dr. D Hemachandra Sagar, Chairman, DSI
Dr. D Premachandra Sagar, Vice Chairman, DSI

PATRONS

Shri Galiswamy, Secretary, DSI
Ms. Tintisha H Sagar, Joint Secretary, DSI
Shri. Rohan Prem Sagar, Joint Secretary, DSI
Dr. Natasha H Sagar, Joint Secretary, DSI
Shri. Nishan H Sagar, Joint Secretary, DSI

ORGANIZING CHAIR

Dr. B G Prasad, Principal, DSCE, Bengaluru

LOCAL ADVOSIRY COMMITTEE

Dr. Ramesh Babu D R, Vice Principal, DSCE
Dr. Ramaraju H K, Vice Principal, DSCE
Dr. Suma V, Vice Principal, DSCE
Dr. A R Aswatha, Dean-Student Affairs, DSCE
Dr. N.Sriraam, Dean R&D, DSCE
Dr. Annapurna P Patil, Dean Academics, DSCE
Dr. Shobha K R, Dean IQAC, DSCE

CONVENORS

Dr. H. K. Ramaraju, Vice Principal & HoD, DSCE
Dr. G. Shiva Kumar, Assoc. Professor, DSCE
Dr. R. Gokulan, Assoc. Professor, DSCE

CO-CONVENORS

Dr. S. Sumesh, Asst.Professor, DSCE
Dr. S. Sathvik, Asst. Professor, DSCE
Dr. Gautam, Asst. Professor, DSCE

CONFERENCE ADVISORS

Dr. G. P. Shivashankara, Professor, DSCE
Dr. Neethu Urs, Professor, DSCE
Dr. Prashant Basavaraj Bhagawati, Professor, DSCE
Dr. Shanthi V., Associate Professor, DSCE
Dr. H. N. Sowmya, Associate Professor, DSCE

CONFERENCE SECRETARIES

Dr. Vinay A., Assistant Professor, DSCE
Dr. Sudeep Y. H., Assistant Professor, DSCE
Dr. Ravindranath C., Assistant Professor, DSCE

CONFERENCE COORDINATORS

Dr. Geetha L., Assistant Professor, DSCE
Dr. G. Venkatesha, Assistant Professor, DSCE
Dr. Christo George, Assistant Professor, DSCE
Dr. Doma Hemanth Kumar, Assistant Professor, DSCE
Mr. Shahaji Patil, Assistant Professor, DSCE
Mrs. Tahera, Assistant Professor, DSCE
Mr. Sridhar H. N., Assistant Professor, DSCE
Mr. Ujwal M. S., Assistant Professor, DSC

INTERNATIONAL ADVISORY COMMITTEE

Dr. Samad ME Sepasgozar, University of New South Wales, Australia
Dr. Akilu Yunusa-Kaltungo, The University of Manchester, United Kingdom
Dr. Rajshekara Murthy, McMaster University, Canada
Dr. Mohammad Adil Dar, University of Sheffield, UK
Dr. Deepjyothi Das, Chalmers University of Technology, Sweden
Dr. Kennedy Onyelowe, Michael Okpara University, Nigeria
Dr. Bankole Osita Awuzie, University of Johannesburg, SA
Dr. Muhammad Ifran, Beijing Institute of Technology, China
Dr. Faming Wang, The University of Hong Kong
Dr. Abdullah Ashraf, King Saud University, Saudi Arabia
Dr. Yasin Onuralp Ozkilic, Lebanese American University
Dr. Amrit Shagu, Nottingham University, UK
Dr. Moses Karakouzan, University of Nevada, Las Vegas, USA
Dr. Vittoria Laghi, University of Bologna, Italy
Dr. Leena Shevade, Boomi Environmental LLC, USA
Dr. Gasim Hayder, University of Nizwa, Oman
Dr. Sayed M. Bateni, University of Hawaii, USA
Dr. K.G.N.Nanayakkara, University of Peradeniya, Sri Lanka.
Dr. Ramana Gadhamshetty, South Dakota School of Mines and Technology, USA
Dr. Hosam Saleh, Egyptian Atomic Energy Authority, Egypt
Dr. Milad Mousazadehgavan, Liverpool John Moores University, UK
Dr. Forat Yasir AlJaberi, Al-Muthanna University, Iraq
Dr. K.G.N.Nanayakkara, University of Peradeniya. Sri Lanka

NATIONAL ADVISORY COMMITTEE

Dr. T. G. Sitharama, Chairman, AICTE, India
Er. Manish Mahendra Kothari, President, The Institute of Engineers, India
Maj. Gen. (Dr) M J Syali, VSM (Retd.), Secretary and Director General, The Institution of Engineers, India
Dr. Nagesh Kumar D., IISc Bangalore
Dr. A. Murali Krishna, IIT- Tirupati, Andhra Pradesh, India.
Dr. Sreedeeep Sekharan, IIT- Guwahati, Assam, India
Dr. Dali Naidu Arnepalli, IIT-Madras, Tamil Nadu, India.
Dr. Babloo Chaudhary, NITK, Surathkal, Karnataka, India.
Dr. Makendran C, NIT-Tiruchirappalli, Tamil Nadu, India.
Dr. Ramesh H., NITK Surathkal
Dr. Amirtham Rajagopal, IIT Hyderabad
Dr. Ayyanna Habal, IITRAM, Ahmedabad
Dr. Bhaskar S, NIT Calicut
Dr. L. Krishnaraj, SRMIST, KTR, Chennai
Dr. Debjit Bhowmik, NIT Silchar
Dr. Srimuruganandam B, VIT, Vellore
Dr. J. Sudharsan, NICMAR, Pune
Dr. Atul Kumar Singh, NICMAR, Delhi

COMMITTEE MEMBERS

Mrs. Meghashree M., Assistant Professor, DSCE
Mr. Sanjeev T. P., Assistant Professor, DSCE
Mr. Nitin Kumar, Assistant Professor, DSCE
Mr. Karthik M., Assistant Professor, DSCE
Mrs. Spoorthy S. S., Assistant Professor, DSCE
Mr. Raghavendra H. N., Assistant Professor, DSCE
Mrs. Ashwini S., Assistant Professor, DSCE
Mr. Raghavendra Prajwal H. S., Assistant Professor, DSCE
Mrs. Vidyashree J. C., Assistant Professor, DSCE
Ms. Harshitha M., Assistant Professor, DSCE

Keynote Speakers

Dr. Samad ME Sepasgozar
University of New South Wales,
Australia

Dr. Akilu Yunusa-Kaltungo
The University of Manchester
United Kingdom

Dr. Venkataramana Gadhamshetty
South Dakota School of Mines & Technology
United States

Dr Pshtiwan Shakor
University of Technology Sydney
Australia

Dr. Chamod Hettiarachchi
University of Moratuwa
Sri Lanka

Dr. K.G.N.Nanayakkara
University of Peradeniya
Sri Lanka

Dr. Gasim Hayder
University of Nizwa
Oman

Dr. Hosam Saleh
Egyptian Atomic Energy Authority
Egypt

Dr. Milad Mousazadehgavan
Liverpool John Moores University
United Kingdom

Dr. Gangadhara Narala Reddy
Fiji National University
Republic of Fiji

Dr. G. R. Dodagoudar
IIT, Madras
India

Dr. Srimuruganandam B
Vellore Institute of Technology
India

Publication Partners

Selected papers will be published in Scopus-indexed Journals or Conference proceedings after a peer review process
(For more information on publication visit www.isdcp.com)

Scopus Indexed Journals

Journal of Environmental Nanotechnology Indian Concrete Journal

ICJ

The Article Processing Fee for journals will be communicated directly to the author after acceptance..

Scopus Indexed Proceedings

E3S Web of Conferences

- The Article Processing Fee for the E3S Web of Conferences is ₹10,000 (excluding the conference registration fee).
- A fee waiver of ₹2,000 per paper will be provided for international co-authors.
- Preference will be given to manuscripts with international collaborations.

Article Processing Charges (APC) will vary depending on the journal or proceedings selected for publication.

Dayananda Sagar College of Engineering

Vision of the Institute

To impart quality technical education with a focus on Research and Innovation, emphasising on Development of Sustainable and Inclusive Technology for the benefit of society.

Mission of the Institute

- To provide an environment that enhances creativity and Innovation in pursuit of Excellence.
- To nurture teamwork to transform individuals as responsible leaders and entrepreneurs.
- To train the students to the changing technical scenario and make them to understand the importance of Sustainable and Inclusive technologies.

Dayananda Sagar College of Engineering, operating under the aegis of the Mahatma Gandhi Vidya Peetha Trust, is approved by the All India Council for Technical Education (AICTE), Government of India, and is affiliated with Visvesvaraya Technological University (VTU). The college offers a wide range of engineering programs, including 20 undergraduate and 6 postgraduate courses. Additionally, it hosts 20 research centres across various engineering disciplines, supporting Ph.D. scholars under VTU. Many of the programs are accredited by the NBA, NAAC, and ISO. The institute spans 23 acres and boasts extensive infrastructure, including state-of-the-art laboratories equipped with advanced instruments and machinery. The Central Library, along with a modern Digital Library, serves as a comprehensive knowledge resource for students. The campus is Wi-Fi enabled with high-bandwidth internet connectivity. The college has a strong faculty base known for their professional integrity and commitment to academics, ensuring transparency in all actions. Faculty members serve as mentors, providing personal guidance to students and contributing to their overall professional development. They are also research-oriented, with several sponsored R&D projects funded by esteemed agencies such as the Department of Science & Technology (DST), Defence Research and Development Organisation (DRDO), Indian Space Research Organisation (ISRO), and AICTE.

Department of Civil Engineering

Vision of the Department

To emerge as a centre of excellence providing globally competent engineers oriented towards research, innovation and sustainable development of society.

Mission of the Department

- To disseminate quality education and provide a research environment.
- To foster experimental and professional skills.
- To Inculcate the importance of ethics and sustainability.

The Civil Engineering Department at Dayananda Sagar College of Engineering (DSCE), Bangalore, is renowned for its comprehensive curriculum and state-of-the-art facilities. Established in 1979, the department aims to produce highly skilled and knowledgeable civil engineers. The curriculum includes core subjects such as structural engineering, geotechnical engineering, transportation engineering, environmental engineering, and water resources engineering.

The department has well-equipped laboratories, including those for basic material testing, surveying, concrete technology, soil mechanics and environmental engineering. Additionally, it has advanced software and tools for design and analysis, facilitating practical learning and research. The faculty comprises experienced Professors and industry experts dedicated to imparting quality education and fostering innovation.

DSCE's Civil Engineering Department emphasises hands-on training through field trips, internships, workshops, and projects. It maintains strong industry connections, providing students with ample opportunities for internships and placements in leading companies. The department also encourages research and development, with students and faculty regularly contributing research publications and patents to national and international journals and conferences.

Overall, the Civil Engineering Department at DSCE is committed to develop proficient engineers who can address contemporary challenges and contribute to sustainable infrastructure development. The department offers doctoral programs along with the following PG programs:

- M.Tech (Structural Engineering)
- M.Tech (Highway Technology)

The conference will cover various aspects of Civil Engineering in the following thrust areas

A. Environmental Engineering & Sustainability

- Air Quality Monitoring and Control
- Climate Change Mitigation and Adaptation, Renewable Energy and Bioenergy
- Desalination and Water Purification Technologies
- Hazardous Waste Management
- Wastewater Treatment and Recycling Technologies
- Water Quality Monitoring and Modelling

C. Construction Management & Materials

- Building Information Modelling
- Smart Cities and Infrastructure Innovation
- Risk Management and Project Scheduling
- PPP Models and Construction Economics
- Smart and Nanomaterials

E. Transportation Engineering

- Sustainable and Green Transportation
- Road safety and human factors
- Transportation planning and policy
- Pavement Engineering and Materials
- Data Driven Transport System
- Transportation Equity and Social Impact

G. Interdisciplinary & Emerging Technologies

- AI/ML, IoT and Data Analytics in Civil Engineering
- Climate Resilient Infrastructure
- Circular Economy and Sustainable Development Goals (SDGs)
- Life Cycle Assessment in Civil Projects
- Smart Cities and Smart Planning
- 3D Printing
- Sustainable Technologies and Assessment

B. Geotechnical and Structural Engineering

- Digital Twins & Smart Geotechnics
- Geo-hazards & Risk Mitigation
- Forensic Geotechnical Engineering
- Sustainable & Innovative Practices in Geotechnical Engineering
- Geo-Environmental & Energy Geotechnics
- Resilient ground improvement

D. Water Resources & Hydraulics

- Groundwater and Surface Water Hydrology
- Urban Flood Management and Stormwater Design
- Integrated Water Resource Management (IWRM)
- Hydroinformatics
- Hydrological Models

F. Structural Engineering

- Seismic hazard analysis and retrofitting strategies
- Non-destructive testing techniques
- Repair, retrofitting, and strengthening techniques for aging infrastructure
- Heritage structure preservation and adaptive reuse
- Parametric and generative design techniques

H. Remote Sensing and GIS

- Satellite and drone-based monitoring for natural resource management
- GIS applications in urban planning, land use, and infrastructure, Environmental change detection and disaster management
- Remote sensing for agriculture, forestry, and climate resilience
- Geospatial data Emerging trends in LiDAR, SAR, GNSS, hyperspectral imaging, and real-time GIS

Submission: <https://www.isdep.com/copy-of-call-for-paper>

Registration Fee (Excluding Publication)

Category	India	Foreign
Industry	Rs. 5000/-	300 USD
Academia	Rs. 3000/-	200 USD
Students/Scholars	Rs. 2000/-	100 USD

Advertisement charges

Place	Charge (Rs.)
Back cover outside	50,000/-
Front cover inside	30,000/-
Back cover inside	20,000/-

Account Details

Account name: DSCE Function and Seminar
Account number: 74370100017988
Bank Name: Bank of Baroda
IFSC code: BARB0VJDASC
Branch: Dayananda Sagar College, Bengaluru

Sponsorship Charges

Sponsors	Charge (Rs.)	Presentation time (mins)
Platinum	50,000	15
Gold	25,000	10
Silver	10,000	5

For more details visit www.isdep.com

How to Reach

Dayananda Sagar College of Engineering (DSCE) is well-connected to major parts of the country via road, rail, and air. The campus is approximately 10 km from Bengaluru City Railway Station and about 45 km from Kempegowda International Airport. The college is easily accessible through BMTC buses, cabs, and metro connectivity via Banashankari and J. P. Nagar Metro Stations (3 – 5 km away), ensuring convenient access for students and visitors.

Accommodation

Accommodation and traveling expenditure have to be borne by the delegates. However, accommodation may be arranged in the hostels of DSCE at a nominal cost, subject to availability. In addition, a wide range of hotel accommodation is available in Bengaluru city, which is well-connected to the venue. Hotels near Kumaraswamy Layout, Banashankari, and Jayanagar offer convenient access.

Important Dates

Last date for submission of full-length Paper is extended till 31st December, 2025

Last date for Submission of full-length Paper: 01-12-2025

Notification for Acceptance: 13-12-2025

Last Date for Registration: 27-12-2025

Camera-Ready Paper Submission: 20-12-2025
